

## BRYAN HAS QUIT!

That is, He Has Quit Getting up so Early in the Morning to Travel.

## HILL STILL ON THE FENCE

Proceedings of the American Bankers Association at its Second Session.

## THE READING ROAD SOLD

PHILADELPHIA, Penn., September 23.—Day-break starts are things of the past in Wm. J. Bryan's itinerary. Hereafter he will leave places where he has stopped over night at reasonable hours and endeavor to get the rest he needs so badly.

Mr. Bryan and party went direct from the Lafayette hotel, this morning, to the Pennsylvania railroad Broad street station, and left at 9 o'clock in a special car attached to the Belvidere division of the express train. Trenton, N. J., was the first point at which the train stopped.

LAMBERTVILLE, N. J., September 23.—Presidential Candidate Wm. J. Bryan, passed through here this morning, and fully 1,000 persons turned out to see him. The train arrived at 10:20 o'clock. Bryan delivered a three minutes speech. There was much enthusiasm.

EASTON, Penn., September 23.—Wm. J. Bryan reached Trenton at 9:50 a. m. A big crowd was awaiting him at the station, but the train did not stop long enough for a speech. He was observed as he came out on the platform of the car, and was bowing his acknowledgments as the train drew out. The crowd was disappointed, for Bryan was expected to remain in Trenton an hour.

Lambertville was reached at 10:15 o'clock and that place gave Mr. Bryan quite a stirring reception, considering its size. A large proportion of the town's population turned out to hear the candidate make a speech of three minutes.

At Byram, several hundred people heard Mr. Bryan utter about fifty words before the train started on. Mr. Bryan will reach Hoboken at 4:40 o'clock and will proceed immediately to Brooklyn.

## Pug. Corbett Arrested.

NEW YORK, N. Y., September 23.—Fugitive James J. Corbett was arrested at Asbury Park, this afternoon, by Chief of Police Smith, of that place. He was released on \$1,000 bail, and will be taken to New York, Saturday.

## Keith's Body Found.

CHICAGO, Ill., September 23.—The body of Edison Keith, the Chicago capitalist and business man, whose suicide was announced yesterday, was found at noon, to-day, by officers searching in the lake at Sixteenth street.

## Markets Today.

WALL STREET, N. Y., September 23.—Speculation at the stock exchange opened quiet and steady. Shortly after the opening, however, sugar and L. & N. developed a weakness and made light sales and fell to 11 and 39-32 respectively.

## Sherman Makes a Defence.

CINCINNATI, Ohio, September 23.—The Cincinnati Post publishes to-day a letter from Senator Sherman emanating from the national republican campaign committee, defending the position his party took in the so-called "crime of '73."

## Presidential Appointments.

WASHINGTON, D. C., September 23.—The president, to-day, made the following appointments: James A. Keaton, of Oklahoma, to be associate justice of the supreme court of the Territory of Oklahoma; Robert A. Habersham, of Portland, Oregon, to be surveyor general of Oregon.

## Thatcher Will Explain.

ALBANY, N. Y., September 23.—Mayor Thatcher, the democratic candidate for governor, was asked at noon to-day, if he would state his position regarding the demand from some quarters that he retire from the state ticket. He refused to be interviewed, but said, on being pressed further: "While I do not care to be interviewed, still I will say I will make a statement in a few days."

## Hill Still on the Fence.

NEW YORK, N. Y., September 23.—At a meeting of the democratic state committee last night, Senator Hill said he had hoped to take some part in this campaign, but that under the circumstances, he had not felt that he could. He did not think the democratic party was a party of one issue. He had opposed many of the principles in the Chicago platform at the Chicago convention and was still opposed to them, and could not bring himself to support them.

## Philadelphia & Reading Sold.

PHILADELPHIA, Pa., September 23.—In compliance with a decree of the United States circuit court, the assets of the Philadelphia & Reading railroad and Coal and Iron companies, covered by general mortgage bonds, were sold at auction this morning for \$16,000,000. The purchaser was C. H. Coster, of New York, a member of the banking firm of J. P. Morgan company, who represents the Reading re-organization committee.

## After the progress of the sale.

Attorney Lane, of New York, on behalf of Mrs. Hetty Green, of New York, a large holder of Reading securities, formally protested against the sale on the ground that it was illegal. Mr. Lane filed a bill in the United States circuit court to-day to this effect.

## ILLINOIS SWEDISH.

Celebrating the Fiftieth Anniversary of Their Arrival in the State.

GALVA, Ill., September 23.—At Bishop hill, near this city, a town founded by Eric Janson, the first Swedish emigrant to this state, who claimed that God sent him to this country, the semi-centennial re-union was held to-day. Rev. J. Engstrom, of Wayne, Kas., delivered the opening prayer, and after addresses of welcome and music, an oration was delivered by Captain Eric Johnson, of League City, Kas. The morning program ended with the dedications, by Col. Clark E. Carr, ex-congressman from the Galva district, of the monument erected to the memory of the old settlers.

CHICAGO, September 23.—In many parts of this state the Swedish residents are celebrating to-day the fiftieth anniversary of the arrival in Illinois of the first Swedish settlers. This event took place in September of 1846, and a few hundred emigrants who, headed by Andrew Larson and O. G. Land, arrived here in that month, have grown into a community of 100,000 people, having in this state 100 churches and religious institutions, valued at \$1,500,000, a \$200,000 college, a \$400,000 mission college, forty newspapers, a hospital and several homes for the aged, and 120 social, beneficial and charitable societies.

## Doings of the Bankers.

ST. LOUIS, Mo., September 23.—When the second day's session of the American Bankers' association was called to order this morning, there was a largely increased attendance. The prayer was offered by Most Rev. John J. Kane, Catholic archbishop of St. Louis. Among the subjects taken under consideration were: The desirability of a national bankrupt law, whether it is good banking to pay interest on daily balances, the organization of banks with small capital, necessity of legislation to prevent "kiting," uniform laws governing commercial paper, and desirability of repealing the 10 per cent. tax on state bank circulation.

ST. LOUIS, Mo., September 23.—At this morning's session of the American Bankers' association convention, delegates from Arkansas, Illinois, Kansas, California, Kentucky, Maryland, Massachusetts, Missouri, Nebraska, New York, North Carolina, and Pennsylvania, reported on the general condition of banking in their states. The reports showed the banks in the different states to be in a healthy condition. Henry Y. Yates, of Omaha, Nebraska, said that in three years from 1892 to 1895, the banks of Nebraska had lost on deposits nearly \$25,000,000. He claimed that this was due to the depression in real estate; low prices for crops, and unsettled condition of affairs on account of the currency question.

## The Army of the Cumberland.

ROCKFORD, Ill., September 23.—The "City of Watches" is entertaining to-day the society of the army of the Cumberland. The opening session was held this morning at the hall of the Grand Army. It was called to order at 10 o'clock by General James Barnett, of Cleveland, who officiated in the absence of President Rogers, the latter being in California recuperating his health. After the addresses of welcome the exercises were conducted in secret. This afternoon there were a number of regimental re-unions, while the annual public meeting will take place at the opera house this evening, Major-General Stanley being the orator of the year.

## Hotel Men Disappointed.

CHICAGO, Illinois, September 23.—This was the date originally assigned for the national convention in this city of representatives of the various silver clubs and Bryan-Sewall clubs throughout the United States, and an immense attendance had been calculated upon. Much to the disappointment of the hotel keepers and others, however, the scene and date of the gathering has been shifted, and it will be held next week at St. Louis in connection with the national association of democratic clubs.

George III ruled fifty-nine years, three months and two days. Her majesty has sat on the throne fifty-nine years, three months and three days. The loss to the mill buildings is estimated at \$30,000, and that of the lumber will reach about \$70,000, on which there is an insurance of about \$50,000. The bridge on St. Louis, Keokuk & Northwestern railway, was badly burned and traffic delayed.

## A Smuggling Scheme.

WASHINGTON, D. C., September 23.—The treasury department is informed that ex-Chinese Inspector R. S. Williams, of San Francisco, was, yesterday, found guilty and sentenced to three years' imprisonment and to pay a fine of \$5,000 on each of two counts of an indictment.
